ADVERTISIN SALE!

We have an object in using this space to-day-Friday, Nov. 12. We are a trifle dissatisfied. Our reason able wishes are not realized. To-day we are going to discuss a few points concerning our Collar, Cuff, and Ruching Department. We don't think it is doing as well as it ought, considering the stock we carry. We want you to notice it, to visit it, to patronize it. You do all three? Thank you. This advertisement is not meant for you, then. Glad to see you any day. But to those who favor our other departments and-if they purchase Collars, Cuffs, and Ruchings at all-trade elsewhere, we wish to say that to-day, to-morrow (until 9 p. m.), and on Monday, we are going to make some sacrifices for the purpose of inducing you to trade at this particular department. Now, it makes no difference how much (if any) we are losing on the prices we name, but you will not lose anything, rest assured, if you take advantage of our Pure Linen 3-Ply Collars at 4 for 25c, which we have been selling 3 for a Quarter; or at 3 for 25c, the same Collars we have been selling at 10c, 11c, and 2 for a Quarter. For 25c you can get 2 Collars we formerly sold at 15c each. In Cuffs we have offered you a pair of Pure Linen 3-Ply, 10c per pair; now we offer them 3 pairs for 25c. Our 20c Tucked Chemisettes we will sell at 15c, and our 24c ones at 19c. In Ruchings we offer 10c goods for 7c; these come in white, pink, blue, and cream. For 12 1-2c a 15c Crepe-Lisse Ruching; any of our 20c Crepe-Lisse Ruchings for 15c, and for 20c a yard our regular 25c Ruching. These are only the reductions we have made in a few lines in this Department. We haven't room to speak of any more, but everything in this Department has been reduced. We want to sell more in this Department in future than we have in the past, and it won't be our fault if we do not. One objec in this reduction has been to so bring the Department to your notice as to encourage your patronage in the future.

LINTHICUM INSTITUTE,

A Building for Its Purpose to Be Erected in Georgetown.

The trustees of the Linthicum Institute have decided to creet a building in Georgetown, on O street, between Congress and High streets, at a cost of about \$30,000. Mr. E. L. Linthicum, who died ten years ago, endowed the institute with \$80,000. The fund he left was for the establishment of a night school for white boys. The school has been conducted for some time past at the Curtis building, and about 100 boys have been enjoying the benefits. The new building will be two stories high, with front of pressed brick, the roof will be double pitched, and covered with slate. It will front sixty-two feet on O street, with a depth of ninety-four feet. Mr. Liothicum was a hardware merchant in Georgetown for many years, and imported all his goods from England. He left no children but an adopted daughter, who married ex-District town, on O street, between Congress and dopted daughter, who married ex-District Commissioner Deat.

SECRETARY BAYARD ANSWERS The Rule of Jerome F. Manning t Show Cause.

Secretary Bayard, through his attorney Mr. H. J. May, filed his brief in the matter of Jerome F. Manning for a mandamus against him to compel the production of certain papers. He quotes the decision in the Supreme Court in Maybury vs. Madi-son, when President Madison refused to son, when President Madison refused to give commissions to properly appointed justices of the peace in this District; Ken-dall vs. the United States in a case against the Postmaster General, and Corbett vs. Gibson, where a subpena was issued against Gen. Hancock, commander of the department of the east, United States, all to show that it is only in cases where the duties of a United States-officer are clearly ministerial that the courts of this District will issue a mandamus to him. will issue a mandamus to him.

What is a cold in the bead? Medical authorities say it is due to aimospheric germs, uneven clothing of the body, rapid cooling when in perspiration, &c. The important point is, that a cold in the head is a genuine rhinitis, an inflammation of the lining membrane of the nose, which, when unchecked, is certain to produce a calarrinal condition—for catarrh is essentially a "cold" which nature is no longer able to "resolve" or throw off. Ely's Cream Baim has proved its superiority, and sufforers from cold in the head should resort to be fore that common aliment becomes scated and ends in obstinate catarrh.

The Re-Election.
The excitement caused by the late election has passed away, but, when we might have expected a considerable period of quietness, suddenly rises a Re-election. What this mans will be found fully explained elsewhere to this paper, entitled "The Re-election." So extraordinary is the character of the article and surprising the information convoyed that no one should miss to read it.

A Letter of Thanks. Mns. Lydia E. Pinkham—Very Dear Madam: My wife, Arie A. Green, has suffered with a displacement which caused her unknown pains iil I had almost given up all hopes of finding any relief for her. But the Guiding Spirit referred me to your Vegetable Compound. I went 12 miles to purchase a bottle, and the first free doses are her immediate relief, and after the use of the first bottle she declared herself a new person; two bottles entirely cured her. Your medicine is invaluable to me. It was indeed a messenger of peace in my house, it cured my wife, and God knows I am the happiest man alive to-day. Words cannot express our feelings toward you. News travels fast, and the word is getting around that we commenced our holiday presentation of a Waterbury Watch and Chain.

The present is given to every Cash Purchaser of Goods Amounting to \$12 and Above. Not a watch for every twelve dollars boughtthat we could not afford-but with every purchase exceeding this limit, whether it be fifteen or fifty dollars. The cost of the watches is but a small percentage on the average amount of the sales; hence the advertisement is less expensive to us than at first might appear.

It will be a pleasure to make so many boys happy, and a Waterbury is not beneath the notice of any man not possessed of a time-piece. They are first rate watches. If our prices seem high after you have bought an article, you know there is no difficulty about having your money refunded upon return of the article, uninjured. That's our way of guaranteeing our Prices to be as low as those asked anywhere for goods of equal merit.
